First Aid Warnings:	
Additional User Safety:	Additional information is listed in the material safety data sheet.
Environmental Statements:	
Disposal:	The container can be recycled if it is clean, dry, free of visible residues and has the drumMUSTER logo visible. Triple or pressure rinse container for disposal. Dispose of rinsate or any undiluted chemical according to State legislative requirements. Wash outside of the container and the cap. Store cleaned container in a sheltered place with cap removed. It will then be acceptable for recycling at any drumMUSTER collection or similar container management program site. The cap should not be replaced but may be taken separately.
Storage:	Store below 30°C (Room Temperature) in the closed, original container in a well ventilated area. Do not store for prolonged periods in direct sunlight.
