

READ SAFETY DIRECTIONS BEFORE OPENING OR USING

FOAMSTOP

DEFOAMING AGENT

ACTIVE CONSTITUENT: POLYDIMETHYLSILOXANE COMPOUND

A FOOD GRADE DEFOAMING AGENT FOR THE SUPPRESSION OF EXCESS FOAM BUILD UP IN SPRAY TANKS AND FRUIT DIPPING TANKS

20 LITRES

DIRECTIONS FOR USE:

SITUATION:	USE RATE	CRITICAL COMMENTS
Agricultural Spray Tanks	20mL/1000 Litres	Use rate will vary dependent upon amount of foam present. Where large quantities are forming better control may be achieved by prediluting FOAMSTOP 1:5 in water before addition to tank.
High Agitation Conditions	1000mL/1000 Litres	Add FOAMSTOP before foam levels are high.
Dip Tanks for Fruit	20mL/1000 Litres	Vary usage as required.

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

GENERAL INSTRUCTIONS:

FOAMSTOP is a special purpose foam suppressant for use in agricultural chemical sprayers and also for use in dip tanks commonly used in the grading of pome and stone fruit. In situations where agricultural formulations and surfactants are under agitation during tank filling large amounts of foam can form. FOAMSTOP should be added to the tank before foam levels build to excess so that filling can continue.

MIXING INSTRUCTIONS:

Shake container before use. FOAMSTOP can be prediluted 1:5 in water or added directly to the spray tank.

PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT:

Do not contaminate streams, rivers or waterways with chemical or used containers.

STORAGE AND DISPOSAL:

KEEP OUT OF REACH OF CHILDREN. Store in closed, original container in a well ventilated area, as cool as possible. Triple or, preferably pressure rinse containers before disposal.

SAFETY DIRECTIONS:

Do not swallow. Avoid contact with skin or eyes. Wear rubber gloves, overalls and goggles or face shield. Wash hands with soap and water after use.

FIRST AID:

If poisoning occurs, contact a doctor or Poisons Information Centre (*Phone Australia 13 11 26*). If in eyes, hold eyes open and flood with water for at least 15 minutes and see a doctor.

MATERIAL SAFETY DATA SHEET:

Additional information is listed in the Material Safety Data Sheet (MSDS), which is available from the supplier.

CONDITIONS OF SALE:

"Alphakem Pty Ltd" ("Alphakem") shall not be liable for any loss, injury, damage or death, whether consequential or otherwise whatsoever or howsoever arising whether through negligence or otherwise in connection with the sale, supply, use or application of this product.
