Other Limitations:	
Withholding Periods:	
Trade Advice:	

General Instructions:	<p>GENERAL INSTRUCTIONS</p> <p>For general algae and mould control: Clean the surface with an appropriate cleaner. Apply the solution of ALGAEFIX to the cleaned surface and allow to dry. This will stop spore growth and maintain a clean, presentable surface. A sealer may be applicable in sealing the clean surface. Consult an ADAMA representative for more information.</p> <p>For grasses and vegetation: ALGAEFIX is ideal for golf course and bowling greens, bunkers and sports turf areas.</p> <p>For Piggeries, Hatcheries and Dairies: Use ALGAEFIX as a sanitiser after pre-cleaning with a cleaner. refer to GENERAL USE section in Directions For Use table for application rates.</p> <p>For establishments requiring the use of the product under the Commonwealth Export Control Act rinse product containing surfaces with potable water after use.</p>

Storage and Disposal:	<p>Store in the closed, original container in a cool, dry place out of reach of children. Do not store in direct sunlight.</p> <p>Triple or preferably pressure rinse container before disposal. Add rinsings to the spray tank. Do not dispose of undiluted chemicals on-site. If recycling, replace cap and return clean containers to recycler or designated collection point.</p> <p>If not recycling, break, crush, or puncture and deliver empty packaging to an approved waste management facility. If an approved waste management facility is not available bury the empty packaging 500 mm below the surface in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots, in compliance with relevant local, state or territory government regulations. Do not burn empty containers or product.</p>
-----------------------	--

Safety Directions:	<p>Will irritate the eyes, nose, throat and skin. Avoid contact with eyes and skin. Do not inhale vapour.</p>
--------------------	---

First Aid Instructions:	<p>If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131126.</p> <p>If skin contact occurs, remove contaminated clothing and wash skin thoroughly. If swallowed, do NOT induce vomiting. Give a glass of water. If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor.</p>
