---------------------	--

Precautions:	
--------------	--

Protections:	<p>PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT  DO NOT allow chemical containers or spray to get into drains, sewers, ponds or streams.</p>
--------------	---

Storage and Disposal:	<p>Store in the closed, original container in a cool, well ventilated area. DO NOT store for prolonged periods in direct sunlight. Triple rinse containers before disposal. Add rinsings to spray tank. DO NOT dispose of undiluted chemicals on site. If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush or puncture and deliver empty packaging to an approved waste management facility. If an approved waste management facility is not available bury the empty packaging 500 mm below the surface in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots, in compliance with relevant Local, State or Territory government regulations. DO NOT burn empty containers or product.</p>

### **DIRECTIONS FOR USE**

This product contains a temporary, non-staining colourant which marks spray application. The colour breaks down with sunlight and moisture.

- See where you spray
- Indicates skips and overlaps
- Improves applicator safety

Herbi Blue Spray Marker Dye can be used with a spotgun and hand equipment. Herbi Blue Spray Marker Dye washes off equipment, clothing and skin with soap and water.
